

# *PLANNING WITH BYRON BAY WEDDINGS*

*What our couples have to say*

*I was excited to go over the styling module and food selection the most. The way the modules are planned and timed is flawless. Made me feel at ease, I knew you knew what you were doing. Byron Bay Weddings seemed to operate like a well-oiled machine and that made me feel less stressed about the upcoming day. We booked without seeing the venue, our wedding planner's recommendation to see it during the wedding fair was a great idea. We got to try the food, meet other couples and see the venue all dressed up. Made it easier to envision our special day.*

*We originally thought we didn't need a wedding planner and boy did Byron Bay Weddings prove us wrong! I was so surprised at how straightforward and easy the planning process was. Our wedding planner provided the perfect balance between giving us choices and pointing us in the right direction when we needed it. It was great to have scheduled check ins to keep the process on track, and I really appreciated having the modules to work through in our own time and refer back to as we needed.*

*We loved how easy everything was! The modules Byron Bay Weddings uses were so helpful as it sets the agenda in an easy-to-follow step by step process. We found we didn't have to worry about missing anything because it was all set out in the regular chats. Our wedding planner was also amazing! She really built rapport, was always available, answered and clarified all our 'dumb' questions, and helped put our vision into a smooth plan. She also had some great styling tips that I wouldn't have thought of. Can't thank her enough!*

*We knew we'd made the right choice very quickly with Byron Bay Weddings when as soon as we had our first planning appointment with our wedding planner, we felt so at ease and excited for the planning process. We got excited for all our appointments, as we got so much covered in each one. She had a great knowledge of Byron View Farm and made so many wonderful suggestions to make sure our day flowed beautifully. We truly had so much fun planning our wedding and weren't stressed at all with the process.*

*We really enjoyed the process with Byron Bay Weddings. Our wedding planner was everything you could ever want in a planner. Me and Josh are the most laid-back people you will ever meet and if we didn't have a planner, things would have been forgotten. She kept me up to date with all vendors and what needed to be done when.*

*I don't even know where to start! Thank you so much for all that you have done for us over the last year and a bit. You helped us achieve the most perfect of days and it couldn't have been better! I have so enjoyed our video chats and absolutely loved how excited you were about all of our little details we included. I was so thrilled that you were so supportive of our vision throughout, even though it was completely different from what Fig Tree/Byron Bay Weddings usually host. You really feel like an old friend now!*
